My 6 years in RV have allowed me to meet many inspiring people and I am appreciative of all who have stood by me. I am thankful for my family and teachers. Their unwavering support has helped me conquer challenges by giving me the courage to push my limits and achieve success beyond my comfort zone. Thank you for showing me how to serve as a leader.

To my friends and seniors, thank you for making school life so vibrant and enjoyable. You have motivated me to excel both academically and beyond. To my juniors, I hope that you will always be bold and daring in your endeavours. RV is a safe haven where you will grow and rise to greater challenges, but never forget to learn from your failures and leverage each other's strengths to bring RV to greater heights.

Lastly, I am indebted to RV for all the opportunities I had to grow, learn and nurture others. I will always stay grateful for those fruitful experiences that have shaped me as both a student and a leader. The Class of 2020 will always hold a special place in my heart.

These 6 years in RV have provided me several opportunities to explore and develop myself. I am grateful for all the teachers, for guiding and encouraging me to step out of my comfort zone. To Mr Alvin Lam, thank you for being my inspiration and motivation to venture into community work. You have taught me how to lead community projects and to think critically about addressing community needs.

I am also grateful for my classmates and friends who were always ready to join me in volunteering. Their companionship always brought more fun to volunteering!

To my juniors, do not be limited by the school community. Venture beyond it and you will meet people from all backgrounds and circumstances, and that is when you will learn and grow. Step up and lead - grab your friends and contribute to the various VIA endeavours. You will find enjoyment and fulfilment from serving, the smiles and warmth we receive from the people we serve truly make our efforts worthwhile! Volunteering does not have to be dull. Combine your interest, the community's needs and your resources, that is when volunteering is truly effective. After all, it is the heart and passion that makes the difference.

*"We are never until we are."*

After all these years in RV, this quote is one of my greatest takeaways, and till today I am still living by it.

My sporting journey in RV has shaped me to become who I am today. I was given many opportunities to grow as an athlete and leader, and I am grateful for the guidance and care that my teachers showed me along the way. To my coaches, seniors and batch mates, thank you for cheering me on as I pursued my sporting dream. It was indeed a leap of faith when I decided to take a gap year to represent Singapore. I owe this privilege to my teachers who stood by me through the process, and who helped to bring the best out of me.

As I move forward into a new phase of life, the school values will remain deeply ingrained in me. I will grasp any opportunity that comes my way and constantly seek the best version of myself in all that I do. To my juniors, I hope that you will challenge yourself and step out of your comfort zone to unleash your fullest potential.

*"台上一分钟，台下十年功"*

An enduring quote I believe many performers live by. While the journey to a successful performance may not always be smooth-sailing, the challenges make us better people.

Throughout my 6 years in RV, I have had the privilege to participate in various activities and hold leadership positions. As President of the River Valley Dance Society (RVDS), I grew as both a dancer and a leader through the process of trial and error. As Vice-President of the Aesthetics Council, I worked with my team to deepen the appreciation of the aesthetics culture within the school community. All these achievements would not have been possible without the support of my teachers, the RVDS dancers and the Aesthetics Council members. Thank you for always being there with me. I would also like to thank my family, friends and all the audience members who supported us at every performance.

To my juniors, never stop chasing your dreams. Nothing is impossible and believe that you will eventually achieve your goals. Make the most out of your time in RV as these years will become some of the beautiful memories of your lives!

Frederick Buechner once said, "Faith is stepping out into the unknown with nothing to guide us but a hand just beyond our grasp."

This statement well encapsulates my experience with the Bicultural Studies Programme (BSP). Initially, I lacked confidence in my ability to cope with the rigour of the BSP. Nonetheless, with the encouragement of my family and BSP teachers, I set foot into the unknown and have not regretted it since. The opportunities I was blessed with, the people I have met, the places I have travelled to, and the invaluable knowledge I have acquired have shaped my worldview. A big thank you to my family and teachers for giving me the space to explore and challenge myself to achieve greater heights.

双文化课程既提升了我的双语素养，也拓宽了我的国际视野，更提升了我的批判性思考能力。

衷心感谢母校为我们创设一个优质的学习空间和环境，营造良好的学习氛围；感谢老师们努力创造有趣充实的课堂，尤其蒋莉老师与林耘老师的敬业与严谨，令我们的学习生活更丰富多彩；最后更要感谢家人对我的包容与关爱，坚定了我追求进步的勇气和信心。

学无止境，我坚信对母校的热爱将激励着我们不断成长，砥砺前行，更创辉煌！

The Bicultural Studies Programme has been integral to my education journey as it has widened my horizons and enabled me to adopt different perspectives. I am truly thankful for the overseas immersion programmes, which allowed me to explore unfamiliar cultures, situations and areas of knowledge. Through discussions with peers and teachers, my critical thinking skills were developed and strengthened. The carefully curated curriculum has made me an intellectual with a global perspective, who is able to embrace differences and overcome challenges.

I would like to thank my teachers for their support and guidance. My growth and achievements would not have been possible without them. I am also grateful to my friends, who made this journey memorable with their encouragement and belief in me.

双文化课程不仅巩固我对母语文化的认同，更让我能与多元世界进行跨文化沟通，从而发展自身的双语素养，并拓宽国际视野。

这是我求学生涯中浓墨重彩的一笔。我珍惜与优秀同窗切磋交流、学习成长的机会；我衷心感激谆谆善诱的老师们以辛勤浇灌成就了我們。从最初的青涩懵懂，到现在的坚定步伐，感谢有你们伴我同行。

我将持续对双文化的学习探索，希望学弟学妹们能以更开放的姿态拥抱多元世界，弘扬立化精神。

RV, thank you for giving me the chance to explore and excel in my studies and activities. From unconventional subject combinations, to multiple overseas learning journeys, I am thankful for the many enriching opportunities extended to me. To my juniors, please make the most of your time here; seize the moment and tap on the resources, safety nets and support networks present in RV. Alongside your peers, recognise the many privileges we enjoy as part of the RV family and employ it to do good for your juniors. Never hesitate to serve meaningful causes. Always strive to achieve in both the academic and extra-curricular dimensions; the journey for you is growth in itself!

Lastly, to borrow Elizabeth Jennings' words, "The great preservers here are little things". To the teachers, school staff, mentors, friends and family that have guided and supported me, thank you. Your selfless sacrifices of time, effort and assistance have shaped and inspired me to be a better person. Know that your tacit faith in me and the smallest acts of love and care have made all the difference. Even as I leave RV, I will always hold everything you have done for me close to my heart.

I owe much of who I am today to RV. I will always be grateful to the school for providing me with opportunities to develop myself and pursue my interests. I am truly thankful for the safe and conducive environment that allowed me to learn from my mistakes and grow beyond them.

I would like to thank my teachers and friends who believed in me and supported me throughout my journey in RV, even when I lacked confidence in myself and my abilities. Teachers, I am grateful that you always went the extra mile to help us learn and grow. Friends, you were the reason I looked forward to school every day.

To my juniors: Take care of yourselves in this period of uncertainty. I believe we will emerge from this stronger, as one RV. Cliché as it may be, change is the only constant, so be open to new experiences and enjoy the journey!

To the Class of 2020: We have gone through so much together. Our paths will inevitably diverge as we chase our own aspirations, but I know that we will never forget our shared memories in RV. I wish you all the best for your future endeavours!
