Mrs Teo Khin Hiang
River Valley High School

Dear Mrs Teo

I, (name) _____, (NRIC) _____, do not wish my son/daughter/ward*, (name) _____ of class _____, to attend the eTeens STI/HIV Prevention Programme conducted by the Health Promotion Board.

My reason(s) for opting out:

- My child is too young.
- I would like to personally educate my child.
- I am not comfortable with the topics/content to be covered.
- Religious reasons
- I have previously taught my child the topics/content to be covered.
- I do not think it is necessary for my child to attend.
- Others (please state): _____

Child's Religion: _____ Race: _____ Gender: M/F

Annex C: Information on the eTeens Programme

Dear Sir/ Madam

eTeens
STI (Sexually Transmitted Infections) /
HIV (Human Immunodeficiency Virus)
Prevention Programme in Schools

The Health Promotion Board (HPB) has been conducting an STI/HIV Prevention Programme in schools since 1993. The programme aims to raise awareness on STI/HIV, inform students about ways to prevent infection and discourage risky sexual behaviours.

2. In view of the increasing number of STIs reported among youth aged 10-19 years¹, HPB, in collaboration with the Ministry of Health (MOH) and the Ministry of Education (MOE), developed an STI/HIV programme titled *eTeens*² for students in secondary schools and JC/CIs.

3. *eTeens* comprises an assembly talk and classroom-based learning. It covers information on the transmission modes of STI, the signs, symptoms and consequences of contracting STI/HIV, effective methods of preventing infection including abstinence from pre-marital sex, being faithful to one partner in the context of marriage as well as condom use. It also teaches life-skills such as decision-making, assertiveness and negotiation skills. *eTeens* is conducted in schools by trained personnel from HPB and teachers. A factsheet on the programme, which is available on the MOE website³, is enclosed.

4. If you do not wish your son/daughter/ward to attend this programme, please complete the form on Annex B and return it to the school. For any clarification regarding this programme, please email us at hpb_yhp@hpb.gov.sg.

Thank you.

A handwritten signature in black ink, appearing to be "Lee Yee", written over a horizontal line.

Yours sincerely

Mrs Cheong-Lim Lee Yee
Deputy Director
Educational Institution Outreach Department
Youth Health Division
Health Promotion Board

¹ Reported cases of STIs among youth aged 10-19 years increased from 238 cases in 2002 to a peak of 820 cases in 2007.

² Previously known as Breaking Down Barriers (BDB).
