28 Jan 2020

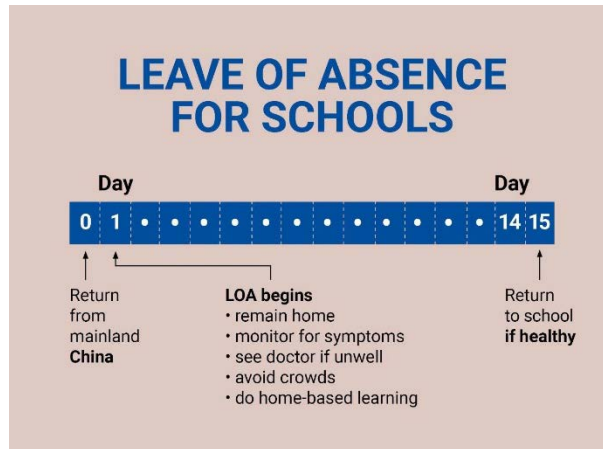

Dear Parents,

As school re-opens on 29 Jan 2020, MOE will be enhancing precautionary measures, including daily temperature taking, to ensure that schools remain a safe and healthy learning environment.

Please ensure your child brings an Oral Digital Thermometer to school from 29 Jan onwards.

We strongly advise students and their families to monitor their health and adopt good personal hygiene habits. Parents should seek immediate medical attention for their children if unwell, and ensure that their children recover fully before they return to school for classes. Teachers will continue to look out for students' well-being, and it would help if your child practises good personal hygiene and social responsibility.

If your child has returned from mainland China on 15 Jan or later, he/she will be placed on Leave of Absence (LOA) for a period of **14 days**, starting from the first day after the return. For example, if your child returns to Singapore on 28 Jan (Tue), the LOA would last from 29 Jan to 11 Feb, with the date of return to school being 12 Feb (Wed).

Students on LOA will be supported by home-based learning through Student Learning Space (SLS) assigned by the school. If you have any queries on LOA, you can call the school office at 6567 8115.

For updates on the coronavirus situation, you can visit moh.gov.sg or sign up at go.gov.sg/whatsapp to receive the latest information via Whatsapp.

We thank you for your partnership and assistance in ensuring that the school remains a safe and healthy learning environment for the children.

Yours faithfully
Mrs Teo Khin Hiang
Principal, River Valley High School
